INVESTMENT COMPANY**

Open Letter

Dear Valued Customers!

We sincerely thank you for your trust and for allowing Binh Minh Agricultural Products Investment and Production Co., Ltd. to accompany you throughout this journey.

Since our establishment on July 16, 2015, we have continuously strived to achieve goals that go beyond mere business. We always aim to make a positive contribution to society through sustainable actions and social responsibility.

Binh Minh Agricultural Products Investment and Production Co., Ltd. is not just a company specializing in cold storage rental and the production of products such as pho noodles, vermicelli, fresh vegetables and fruits, and freeze-dried detox products. We are also your trusted partner in ensuring that your warehousing and agricultural product needs are always met excellently.

In addition to providing quality products and services, we also place special emphasis on socially responsible activities. We believe that by implementing sustainable and responsible actions, Binh Minh Agricultural Products can contribute to building a brighter future, not only for the business but also for the entire community.

We understand that the success of our business is inseparable from your support and partnership. Therefore, Binh Minh Agricultural Products would like to express our deepest gratitude to our valued customers and partners who have always trusted and chosen us. Binh Minh Agricultural Products is committed to continuously striving to provide you with the best services and products, with the utmost dedication, professionalism, and responsibility.

Once again, thank you very much.

Best regards!

Why choose us?

- Our experienced team ensures that all customer needs are met.
- Providing quality products and services that meet safety and hygiene standards.
- Providing comprehensive solutions in the shortest possible time.
- We are ready to assist and advise you, ensuring your complete satisfaction.
- Reputable, trustworthy, and chosen by many partners and customers.
- Innovation and creativity to improve efficiency and deliver the best value to customers.

Vision

Binh Minh Agricultural Products aims to become a leading enterprise in the field of cold storage logistics and agricultural product production in Vietnam, contributing to improving the quality of agricultural products and building a sustainable ecosystem.

Mission

We are committed to providing high-quality services and products, ensuring food safety and hygiene, and fully meeting international standards, with the aim of bringing long-term benefits to our customers, partners, and the community.

Core values

- Top quality: Ensuring products and services meet the highest and best standards.
- Continuous innovation: Seeking and implementing creative solutions.
- Dedication and professionalism: Meeting and exceeding customer expectations.
- Sustainable partnerships: Respecting and encouraging collaboration for mutual growth.

Governance structure

The organizational chart of Binh Minh Agricultural Products is clearly and intuitively structured, allowing us to meticulously divide tasks and responsibilities within each department of the company. This fosters efficiency and consensus among departments in our operations, with the goal of optimizing workflows and interdepartmental interactions.

Human resource capabilities

Binh Minh Agricultural Products Investment and Production Co., Ltd. is proud to have over 100 employees, creating a strong and stable workforce for the company's continuous development. We always prioritize recruiting individuals with an open-minded, dynamic spirit and a willingness to listen to customer feedback to constantly improve. We believe that, with our dedicated and professional staff, Binh Minh Agricultural Products will continue to achieve even greater success in the future.

Our services

Binh Minh Agricultural Products Investment and Production Co., Ltd. is a trusted partner in the agricultural and food sector. We offer a comprehensive range of services, from leasing modern cold storage and logistics facilities, to operating a safe fleet of refrigerated trucks, and managing the Kamart supermarket chain with fresh and delicious products.

In addition, we pride ourselves on our diversified production activities, including beans, rice noodles, vermicelli, supplying fresh vegetables and fruits, and food for industrial kitchens.

In particular, Binh Minh stands out with its modern freeze-drying factory, specializing in producing freeze-dried detox fruits and vegetables that retain their full nutrients and flavor.
